ABOUT US

ABOUT US

Go For Visa is one-of-its-kind visa processing consultancy that provides services across the world. Offering the utmost help required for tourists as well as immigrants, Go For Visa, in addition to its visa processing services, provides holistic programmes that take care of pre-landing and post-landing formalities, relocation help, advisory and corporate immigration services. These services are designed with our customers in mind and to ensure that they face the least of trouble before and after reaching untested lands.

At Go For Visa, we believe in absolute simplicity and excellence of service and thus provide our services through our authorized network partners in various countries across the globe. We have our own offices in Australia, India, UK and Canada thus providing an across-the-world reach. Our presence in these countries ensures that we work round the clock for you and enhance our services by catering to a set group of countries from each of our locations.

The appeal to visit, stay and work in various corners of the globe is as charming as complicated and our mission is to make sure that it stays charming for you while we simplify all complications. In this endeavor, we make sure that we are always staffed with the best experience, requisite legal brains and visa professionals at our offices as well as franchises to help you along the way without much stress. Additionally we are tied up with many government agencies and organizations in almost all the countries which help us to glean necessary knowledge and means to get your visa processed.

Visa issues are an everyday affair for us at Go For Visa and we take upon challenges to ensure that everyone is happy. Our consultants ensure that all requisite research is on the table before taking up your case, thus saving a lot of resources in the form of time, money and effort. If you are facing visa issues or are looking forward to get some international work experience under your belt, Go For Visa is your best choice.

Go For Visa believes in a pro-active approach and is thus successful in almost all its visa processing endeavors. At Go For Visa, we believe in absolute transparency and proper information flow to ensure that you get what you need, in good time. Get in touch with us today to ensure that your dream of circumnavigating the globe for tourism or work is fulfilled with the least of effort.

VALUES

VALUES

Go For Visa has risen to such heights in a very short time owing to certain core values that we believe in. We do not cross the line under any circumstances giving you the confidence and security in dealing with us

EXPERTISE OR ACCURACY: We have the best and knowledgeable work force available. With ex-immigration officials and immigration lawyers in our team, we are empowered to crack the most complicated immigration cases with ease. This is possible only due to the continued research and keeping on top of the information and changing visa guidelines by the day.

HONESTY: We deal with complete transparency ensuring that our honesty and integrity are not on the line under any circumstances. Everything moves with prior information to you.

RELIABILITY: Many of our customers are returning or referring thus proving our success rates and reliability over time.

PURSUIT OF EXCELLENCE: Excellence, as in any profession, is of utmost importance to us since it only reinforces integrity but also streamlines our processes in such a way that it becomes the foundation for our future activity and endeavors.

PASSION FOR WHAT WE DO: Without passion, no one reaches the pinnacle. Passion has been the driving force behind our endeavors and growth in all these years.

SIMPLICITY: Simplicity has been a belief with us and it shows in our practice. We keep everything in our processes simple ensuring that everything goes in the right direction and with ease.

SECURITY: We are tied up with many Government Registration Authorities and our affiliation with such bodies will give you a sense of security while dealing with us.

OUR SERVICES

OUR SERVICES

Go For Visa offers a plethora of services in the immigration niche. Our talented work force ensures that all services offered are fully compliant with the existing norms of the country in question and pave a smooth way forward for you. Some of our services are as follows:

FREE VISA ASSESSMENT:

According to your needs or as per your requirements, depending on the documentation provided by you, our experts conduct due research to find the right way to get the right visa for your needs. This is a painstaking process since each case is independent and unique in its own way. Go For Visa provides this service completely free of cost to you.

VISAS FOR ALL COUNTRIES:

We undertake visa consultancy services for all countries across the globe. This is one aspect that our competition cannot boast of.

ALL TYPES OF VISAS:

We offer services for all types of visas – tourist visa, immigrant visa, work visa, student visa, working holiday visa and so on as per the country selected and your profile.

VISA PREPARATION SERVICES/APPLICATION PROCESSING:

We help in accumulating and sorting documents required for your visa as stipulated by the government of the country of choice and we also put in the application on your behalf. Regular follow-ups and accelerating the processing process are also our responsibility.

OUR SERVICES

PRE AND POST LANDING SERVICES: Ticketing, planning the itinerary and other pre-landing services can also be availed from us. Post-landing, we also provide services through our local representatives to ensure that you are comfortable and acclimatized. For post-landing services, please get in touch with us, since these services are country-specific.

CORPORATE IMMIGRATION SERVICES:

If you are a corporate and looking at getting work visa for your employees for temporary assignments, we can help. For corporates, we have a different price and service structure. Kindly get back to us for more details.

ADVISORY SERVICES:

Visa advisory services are offered on a selective basis to individuals and corporates depending on their specific requirements. More information is available on request.

RELOCATION SERVICES:

Relocation services are offered for individuals and families while immigrating to new countries. These services come as a package and are specific to the chosen country.

You are in Safe Hands

RELOCATION

RELOCATION

Welcome to Go For Visa. You are accessing the world's most sought after immigration advice by being here. Our relocation services can help you find the best solution depending on your current status and the country sought after, in consultancy with our professional and trained team of the best ex-immigration officials and registered immigration lawyers.

Go For Visa is one of the largest providers of immigration assistance with four strategically located offices across the globe and a vast network of affiliates in almost all countries. This enables us to collect and collate local and global information at a single source and analyze it to find ways to help your cause. It also enables us to use the information to provide friendly and professional assistance to you at all times.

After marriage, relocation is probably the biggest step anyone can take and it is absolutely necessary that you are bang on target the very first time around. To achieve this, there is a need for professional advice and there is no one better to help you out than Go For Visa. From getting the desired visa, to finding work and moving the family across continents, a lot of logistics come into play. One small mistake could cost dear and it is best to leave it to the professionals.

Although we are mainly an immigration consultancy and a visa processing company, as a part of vertical integration, we have built an enviable reputation in offering relocation services. With the knowledge we already have and have access to, it gives us immense pleasure to put it to work on your behalf. The following are some of the relocation services that we offer:

CORPORATE RELOCATION

Go For Visa is adept at providing complete and holistic corporate relocation services. We can help your staff make the transition with ease along with providing help on buying or renting property in the country of your choice.

STUDENT RELOCATION

With ample experience in providing student visas and helping students settle in greener pastures, Go For Visa offers student relocation services as a support activity. We already provide a lot of help to students beginning from getting a new bank account to finding the right rooms to stay in.

INTERNATIONAL EMPLOYMENT RELOCATION

For those who need to leave the country to work abroad, making the cross could be a stressful experience. Along with getting the required visa processed, we offer comprehensive employment relocation services that include most important to the last factor on your relocation checklist.

LONG DELAYS

LONG DELAYS

The delaying of immigration applications in any other country depends upon various factors and reasons. Therefore, one needs to look after these factors before hand in order to avoid these delays successfully. It is also recommended for everyone to contact an immigration expert in order to get valuable advice before applying for application. This way, you can get to address every single issue that can affect the application processing time early. Let's look at the major reasons why the application for immigration gets delayed by the authorities of any country. The category in which you apply for immigration plays a crucial role when it comes to processing time. The immigration authorities from all over the world give considerable time to analyze the category and the purpose in which you are applying for immigration. Therefore, you need to clarify the category and purpose of your immigration very clearly in your application to get it done quickly.

Go For Visa experts are experienced in dealing with the application procedures of all the countries from across the world. This helps us to provide complete support for our clients in order to avoid immigration delays in their application. We understand the importance of quick turnaround time to get your immigration approval with respect to your requirements. If your application is stalled or delayed over a period of time, then it is highly essential for you to contact a legal representative to look over the matter and make your application back on track. This will clearly boost up the application processing procedure at the immigration office to clarify the issue and move on with your application quickly.

The legal help from our experts can help you to communicate with the immigration authorities in the country to analyze the application status. Go For Visa professionals will be with you throughout the process to contact with the officials in order to fast up the application process.

We took great responsibility to get your applications approved in a timely manner from the immigration authorities. You can contact our experts at any point of time throughout the application processing time to get updates and necessary guidelines.

LEGAL REPRESENTATION

LEGAL REPRESENTATION

Legal representation is one of the crucial elements that can help many applicants to get their immigration applications approved from the immigration authorities successfully by means of solving any issues. Sometimes, the immigration applications can be delayed due to many reasons claimed by the immigration authorities. Therefore, it is your job to get rid of these problems and make your application processed in a timely manner. For this, you need a professional legal firm to represent you to deal with the immigration authorities regarding the application processing function. Go For Visa is a reputed immigration service provider who can give you complete service for you to get your immigration application approved from the authorities. At Go For Visa, we help our clients from starting of the application form creation to receive the approval from the authorities. We do not stop with just sending the application form to the immigration authorities in any country.

You can get absolute guidance on any issues regarding your application denial or delaying from the immigration authorities of any country from our Go For Visa team. We help our clients to contact with the country's immigration authorities officially to know about the details of their application status. With that status, our team will analyze it to get to know the exact scenario and figure out how to go about it. We legally present you in immigration officials to deal with the application processing function.

The legal representation from our side will help you to get the documents submitted to the authorities to track the application scenario. Go For Visa team will scrutinize each and every documents provided by you to the immigration government. This will enable us to note down the deficiency or incompleteness in your application. Then, we will correct and revise your documents and applications to resubmit to the authorities to get your application approved immediately. At Go For Visa, we will represent you in the immigration department of any country throughout the process until you get the final approval. You can also communicate with our team to know about the status through all these operations.
